

## MAIN STREET DENTAL SAVINGS PLAN

In an effort to make dental care more affordable, our office has instated a dental savings plan. This plan allows our patients to feel comfortable knowing their preventive needs are met and also offers significant discounts on any additional treatment. Our staff and our patients can rest easier knowing there are no waiting periods, no yearly maximums, no pre-existing condition limitations and NO HASSLE from insurance companies! We believe that our dental savings plan is far more beneficial than most dental insurance policies. Our dental savings plan includes:
